

The Hong Kong New Zealand Business Association (HKNZBA) has been helping foster business links since it was founded in 1988. Membership has grown to include major corporate, SMEs and individuals. Some have joint membership with our sister organisation, the New Zealand Chamber of Commerce in Hong Kong.

We work with the Hong Kong Trade Development Council, the Hong Kong Economic and Trade Office, Invest Hong Kong and the Hong Kong Tourism Board. We provide our members with a solid network of contacts in Hong Kong and substantial knowledge databases. Similar links are in place with the Ministry of Foreign Affairs and New Zealand Trade and Enterprise.

HKNZBA is a member of the Federation of Hong Kong Business Associations Worldwide, a unique network of 39 Hong Kong Business Associations in 28 countries with more than 10,000 individual associates. HKNZBA welcomes new members with business links with Hong Kong.
