EVENT HIGHLIGHTS

HK STREET FOOD FESTIVAL 6TH NOVEMBER

Amazing turn out for our Hong Kong Street Food Festival on the 6th of November at The Green in Ellerslie. It was super fun to collaborate with The Rolling Pin and learn about Cantonese foods. Their display of the milk-stocking tea was particularly interesting to watch! Every attendee took home a jar of chilli oil courtesy of The Rolling Pin!

BNH AI SEMINAR 14TH NOVEMBER

An incredible AI event hosted by the Business North Harbour on the 14th of November! The keynote speakers were all very insightful and were helpful in bettering our understanding of AI. This seminar pressed the idea that AI is a collection of tools that can be used to your advantage to make your business more efficient and effective rather than the predetermined concept of Artificial Intelligence and the fear of AI taking over your work industry. We loved being able to be apart of this!
